# A charming note

*A sweet wine that remains delicate, in the most authentic Besserat style.*

---

## COMBINATIONS

This delicious and charming wine will accompany patisseries, sweet and sour dishes, but its natural balance will also be appreciated as an aperitif.

---

## TASTING

**Appearance:** A very pure deep yellow colour. The froth is made up of fine bubbles forming a delicate bead.

**Fragrance:** Delicious nose, with hints of patisserie, marzipan and nougatine. Allowed to breathe, more fruity currant, and vine peach jam notes are revealed.

**Taste:** Well-structured on the palate, with a perfect sugar-acid balance. The naturally fine effervescence of the Cuvée des Moines is transcended by this dry dosage which strengthens the creamy and rich character.
