

# FINCA DEL MAR

## FINCA DEL MAR ROSE

**APPELLATION OF ORIGIN:** Valencia

**TYPE OF WINE:** Varietal wine

**GRAPE VARIETY:** 100% Bobal

**ALCOHOL CONTENT:** 12.5%

**GOES WELL WITH:** Rice dishes, pasta and white meat.

**SERVE AT:** 8/9° C

**WINE-MAKING PROCESS:** The grapes are harvested during the first fortnight of October. There is then a short period of maceration in contact with grape skins and their juice in order to draw out the very particular aromas which characterise this variety and to obtain the desired tones. Fermentation takes place at 16°C to preserve the aromas extracted.

**TASTING NOTES:** Pale pink colour, its bouquet presents the strawberry aroma so characteristic of the Bobal variety and its fruit character is confirmed on palate, with a refreshing acidity. Its aromatic persistence allows the spirit of this wine to linger on the palate for a long time.
